

SHIYI HE

Salt Lake City, Utah — shiyi.he@utah.edu — linkedin — Webpage

EDUCATION

Ph.D. in Computing

University of Utah (Advisor Andrew McNutt)

Aug. 2023 - Present

M.S in Information

University of Wisconsin - Madison (Advisor Ian Hutchins)

Aug. 2021 - May. 2023

B.S in Information Management and Systems

East China Normal University

Sep. 2016 - Jun. 2021

RESEARCH INTEREST

Human-Computer Interaction, Visualization, and Programming Interfaces

PUBLICATIONS

2026

[1] Reading Between the Curly Braces: On Textual Data Serialization Format Usability

Shiyi He, Zach Cutler, Andrew McNutt.

IEEE Symposium on Visual Languages and Human-Centric Computing (VL/HCC) 2026.

[2] How Wranglers Shape Wrangling: A Technical Dimensions Analysis

Shiyi He, El Kindi Rezig, Paul Rosen, Andrew McNutt.

IEEE Symposium on Visual Languages and Human-Centric Computing (VL/HCC) 2026.

[3] Towards Scaling Qualitative Analysis of Video Data

Shiyi He

IEEE Symposium on Visual Languages and Human-Centric Computing (VL/HCC) Graduate Consortium 2026.

2025

[1] ChARLES: Change-Aware Recovery of Latent Evolution Semantics in Relational Data

Shiyi He, Alexandra Meliou, Anna Fariha.

SIGMOD/PODS '25: Companion of the 2025 International Conference on Management of Data

[2] Teaching Critical Visualization: A Field Report

Andrew McNutt, **Shiyi He**, Sujit Kumar Kamaraj, Purbid Bambroo, Nastaran Jadidi, John Bovard, Chang Han.

IEEE VIS Workshop on Visualization Education, Literacy, and Activities (EduVIS) 2025

COURSES COMPLETED

University of Utah

CS 6540: Human/Computer Interaction

CS 6967: Critical HCI and Visualization

CS 6969: HCC Research Methods

CS 6545: Multidisciplinary Perspectives of HCI

CS 6959: Human-Centered Data Management

CS 6630: Visualization for Data Science

CS 6635: Visualization for Scientific Data

CS 6530: Advanced Database Systems

WORK EXPERIENCE

Teaching Assistant

CS 6635 Vis for Scientific Data
University of Utah

Spring 2026

COMP 1010 Programming for All
University of Utah

Fall 2025

Research Assistant

Advisor: Andrew M. McNutt
SCI Institute
University of Utah

Sep. 2024 - Aug. 2025

Advisor: Anna Fariha
School of Computing
University of Utah

Aug. 2023 - Aug. 2024

Advisor: Ian Hutchins
Information School
University of Wisconsin - Madison

Jun. 2022 - May. 2023

Advisor: Jiepu Jiang
Information School
University of Wisconsin - Madison

Sep. 2021 - May. 2022

Advisor: Chuanyong Zhang
China Institute for Urban Governance & School of International and Public Affairs
Shanghai Jiao Tong University

Jul. 2020 - Jul. 2021

Data Scientist Intern

Lexical Intelligence

May, 2022 - Aug. 2022
Rockville, MD

Data Analytics Intern

Ermenegildo Zegna

Jan, 2019 - Mar. 2019
Shanghai, China
